

BLOOMING BIDS

Join us in a gorgeous venue, with fabulous food and beverages, to support at-risk youth on Martha's Vineyard! The Island's landscaping, gardening and artistic communities go all out to present visually beautiful and creative planters, floral arrangements, landscape offerings and gardening necessities in a silent and live auction to benefit at-risk kids in the community.

OUR MISSION

Big Brothers Big Sisters of Cape Cod & the Islands mission is to partner with under-resourced families to provide their children with transformational, one-to-one professionally supported relationships with caring adult mentors so that their children will thrive.

Our agency is nearly 100% donor supported and relies on the generosity of people like you to sustain our programs. Research shows that children in our program do better in school, gain more confidence, and stay on the path to reach their potential.
